**AGREEMENT TO TIMELINESS** \_\_\_\_\_ **(initials)** I understand that if I do not pick up my child(ren) by the designated pick up time, I must pay \$1.00 for each additional minute after that time.

**PERMISSION TO RIDE** \_\_\_\_\_ **(initials)** I (We) hereby grant permission for Afore-Mentioned student to ride vehicles owned or provided by Crazy 88 Mixed Martial Arts. I authorize Crazy 88 Mixed Martial Arts representatives to obtain medical treatment for my child in case of serious illness or injury and agree to pay for such treatment. I understand that if a certified employee is not present a responsible staff member will dispense medications. I have documented on my summer camp applications all precautions and instructions regarding my child's medications. I have also noted any special health- related conditions or allergies regarding my child. I understand that my child may be transported in a vehicle that does not have air conditioning.

**ADVISORY OF RIGHTS & RESPONSIBILITY** \_\_\_\_\_ **(initials)** Safety is not the sole responsibility of the instructors and staff. Everyone in class is responsible for their own safety and the safety of those around them.

All students have the right and responsibility to excuse themselves from any exercise they believe to be harmful to them. All students must evaluate each situation in the context of their skills and current physical condition, and conduct each drill in a matter that is safe. If an instructor gives an instruction that is unsafe for the student, it is the student's responsibility to inform the instructor that the skill might be unsafe. The instructor will routinely excuse the student from unsafe exercises and drills. The instructor may ask for an explanation, and the student is expected to provide one.

All students have the responsibility to train and conduct themselves in a manner that helps all students and instructors remain safe. Students must give those who are training enough room to avoid interfering and avoid being accidentally struck by someone else practicing, which is especially important when others are practicing the weapons.

In the event of an injury, students have the right and responsibility to evaluate the extent of harm, stopping what they are doing even if it includes a partner, and determining if it is safe to continue. Unless the student is certain that further practice will not create or worsen a problem, all students are encouraged to stop what they are doing and inform an instructor. In the event of a serious injury or appearance of a serious injury all student's instructors, staff, and visitors, notably parents, have the right to call stop to a particular training exercise.

If a student notes an unsafe training exercise, which may include a student performing a skill incorrectly, a student not being careful about others, a defect in a piece of training equipment, a potentially dangerous obstacle or condition on the floor, or anything else that may cause or lead to the harm of students, instructors, staff, visitors, or guests, then the student is expected to correct the situation if within his ability or notify an instructor or staff member immediately. If something is simple to correct, such as picking up a weapon left on the floor, the student should correct the situation. If the situation may require the authority of the instructor or staff, or is not a simple matter, then an instructor or staff member should be notified immediately.

**ASSUMPTION OF RESPONSIBILITIES & RISKS** \_\_\_\_\_ **(initials)** Martial Arts is a potentially dangerous activity. Bumps, bruises, scrapes, scratches and soreness are commonplace, and most students will experience this type of minor injury from time to time in their training. More serious injuries are possible including, sprains, strains, twist, cramps, and injuries of similar magnitude, and students can expect to encounter these injuries infrequently. The possibility of more serious injury exists, including fractured bones, broken bones, torn ligaments, though not all students encounter such serious injuries. These remains, despite safety precautions, the remote possibility of crippling death, though this is certainly not expected in these martial arts classes.

I understand the above statement of risk, and I understand the rights and responsibilities of students. I assume responsibility for my own safety (or the safety of my child), understanding and accepting the risks involved with martial arts training. Even if the instructors have informed me that no serious injuries have ever happened at Crazy 88 Mixed Martial Arts or with any of the instructors, I understand that this does not mean there is no possibility of harm. By assuming the risk, I completely absolve all instructors, staff, guest, student, and landlords, management companies, and any all other parties for my harm, unless intentionally caused in criminal conduct.

I understand the nature of physical contact in martial arts training, and I understand that I have the right to immediately withdraw from any exercise or drill in which the contact of any partner seems beyond the scope of training or makes me uncomfortable. I agree to abide by the school etiquette in all manners pertaining, and shall not in any way conduct myself inappropriately or take inappropriate advantage of the contact martial arts training allows.

Students are expected to conduct themselves appropriately at all times to ensure the best training results for everyone.

Should any student feel a training partner is engaged in contact beyond the scope of training, or a training partner is taking undue or unacceptable advantage of training conduct, or if a student is made uncomfortable by any training exercise or partner, then that student has the right to withdraw from the exercise or drill. If the conduct of the training partner appears inappropriate, the student should inform the instructor privately. If the conduct of the training partner or any training partner appears criminal, then an instructor should be informed and the authorities may be either notified by the student or instructor, or both.
